Telemetered

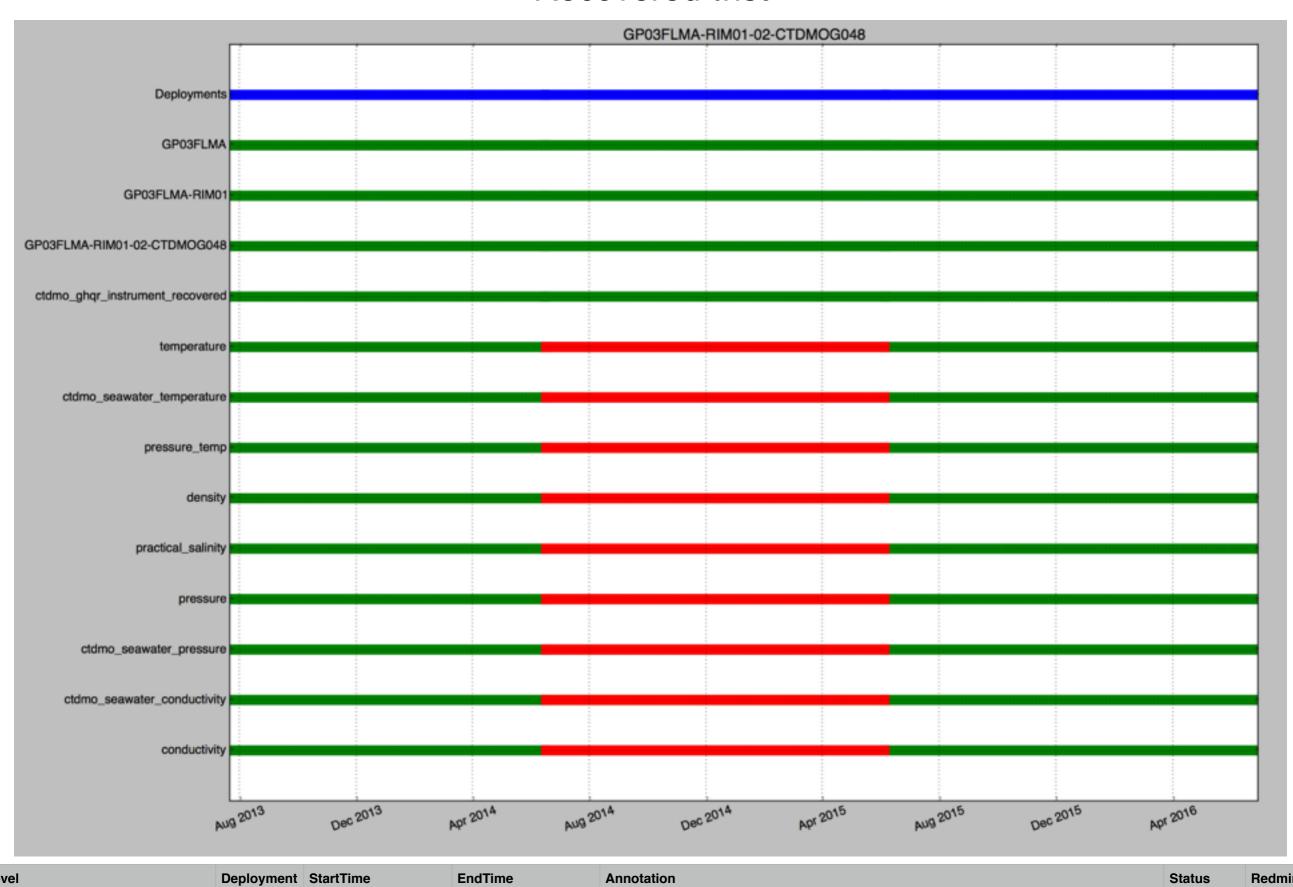

| Level | Deployment | StartTime | EndTime | Annotation | Status | Redmine# |
|--------------------------------|------------|----------------------|----------------------|--|---------------|----------|
| GP03FLMA | D00001 | 2013-07-21T22:44:00Z | 2014-06-15T00:00:00Z | Platform was deployed 10-15m shallower than intended. Telemetered data are not available for this deployment. | | |
| ctdmo_ghqr_sio_mule_instrument | D00001 | 2013-07-21T22:44:00Z | 2014-06-15T00:00:00Z | Telemetered data are not available for this deployment. | NOT_AVAILABLE | |
| GP03FLMA | D00002 | 2014-06-17T06:00:00Z | 2015-06-05T00:00:00Z | Platform was deployed 15-20m shallower than intended. | | |
| GP03FLMA | D00003 | 2015-06-06T22:40:00Z | 2016-06-28T19:10:00Z | Platform was deployed 10-15m deeper than intended. | | |
| GP03FLMA | D00004 | 2016-07-01T01:07:00Z | 2017-04-05T00:00:00Z | Consistent issues with data telemetry have persisted for this deployment. Due to glider failures on 1/27/2017, there will be no telemetered data from this platform. | | |
| GP03FLMA | D00004 | 2016-07-01T01:07:00Z | 2017-07-18T00:00:00Z | Platform was deployed 10-15m deeper than intended. | | |
| ctdmo_ghqr_sio_mule_instrument | D00004 | 2016-07-01T04:00:01Z | 2016-07-10T12:00:01Z | Very sparse data available due to consistent issues with data telemetry. | AVAILABLE | |
| ctdmo_ghqr_sio_mule_instrument | D00004 | 2016-07-10T12:00:01Z | 2017-07-13T00:00:00Z | Issues with data telemetry. See platform level annotation for details. | NOT_AVAILABLE | |
| GP03FLMA | D00005 | 2017-07-07T00:00:00Z | 2017-07-25T00:00:00Z | Gliders were not deployed, so telemetered data from this platform will not be available for this deployment. | | |
