Telemetered

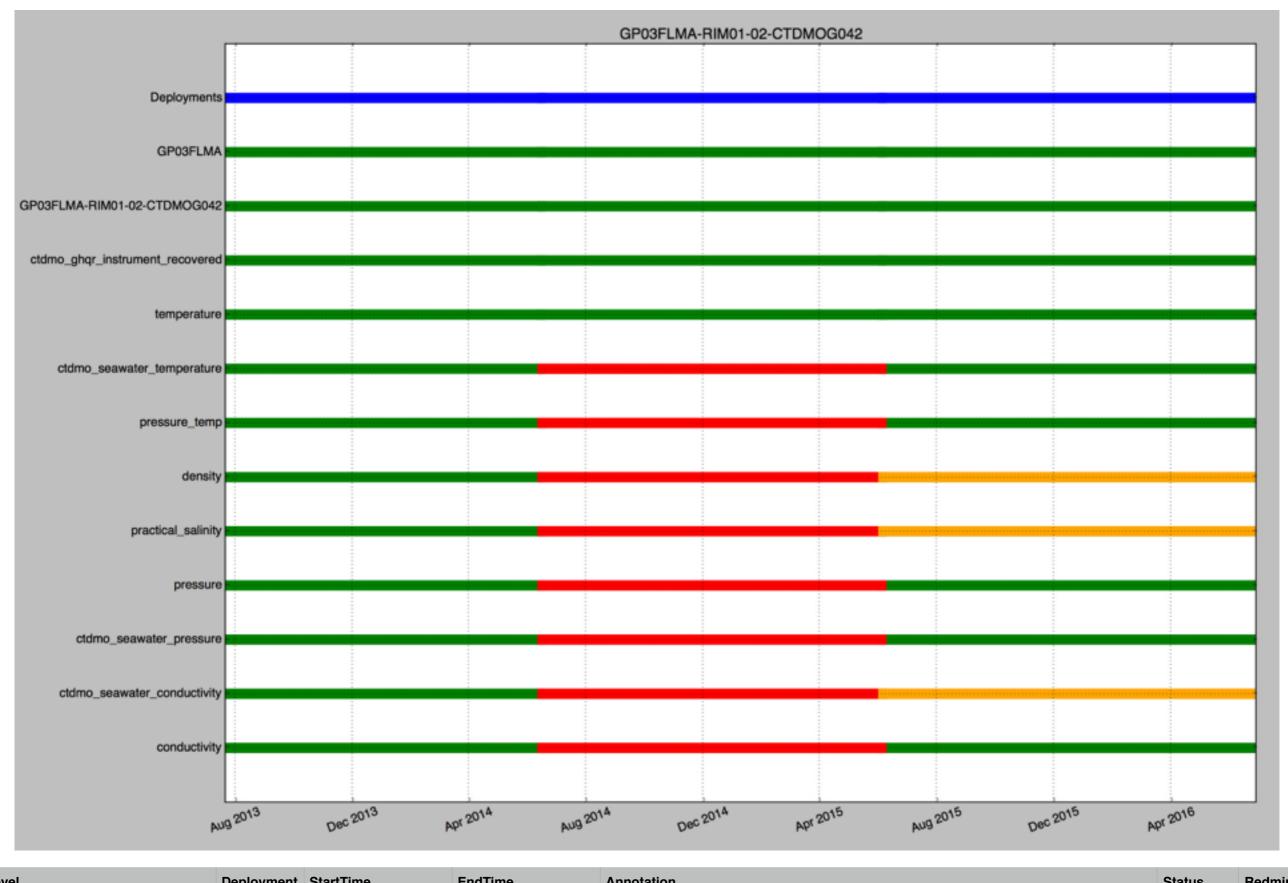

Level	Deployment	StartTime	EndTime	Annotation	Status	Redmine#
GP03FLMA	D00001	2013-07-21T22:44:00Z	2014-06-15T00:00:00Z	Platform was deployed 10-15m shallower than intended. Telemetered data are not available for this deployment.		
ctdmo_ghqr_sio_mule_instrument	D00001	2013-07-21T22:44:00Z	2014-06-15T00:00:00Z	Telemetered data are not available for this deployment.	NOT_AVAILABLE	
GP03FLMA	D00002	2014-06-17T06:00:00Z	2015-06-05T00:00:00Z	Platform was deployed 15-20m shallower than intended.		
GP03FLMA	D00003	2015-06-06T22:40:00Z	2016-06-28T19:10:00Z	Platform was deployed 10-15m deeper than intended.		
GP03FLMA-RIM01-02-CTDMOG042	D00003	2015-06-06T22:45:01Z	2016-06-28T19:00:01Z	Conductivity (therefore salinity and density) values are different between telemetered and recovered data: investigation pending		12533
density	D00003	2015-06-07T00:00:01Z	2016-03-14T16:00:01Z	Values are different between telemetered and recovered data: investigation pending	SUSPECT	12533
practical_salinity	D00003	2015-06-07T00:00:01Z	2016-03-14T16:00:01Z	Values are different between telemetered and recovered data: investigation pending	SUSPECT	12533
ctdmo_seawater_conductivity	D00003	2015-06-07T00:00:01Z	2016-03-14T16:00:01Z	Values are different between telemetered and recovered data: investigation pending	SUSPECT	12533
GP03FLMA	D00004	2016-07-01T01:07:00Z	2017-04-05T00:00:00Z	Consistent issues with data telemetry have persisted for this deployment. Due to glider failures on 1/27/2017, there will be no telemetered data from this platform.		
GP03FLMA	D00004	2016-07-01T01:07:00Z	2017-07-18T00:00:00Z	Platform was deployed 10-15m deeper than intended.		
GP03FLMA-RIM01-02-CTDMOG042	D00004	2016-07-01T01:07:00Z	2017-07-18T00:00:00Z	Instrument was deployed at 60m but slid to approximately 100m (confirmed on recovery of the mooring).		
ctdmo_ghqr_sio_mule_instrument	D00004	2016-07-01T04:00:01Z	2016-07-10T12:00:01Z	Very sparse data available due to consistent issues with data telemetry.	AVAILABLE	
ctdmo_ghqr_sio_mule_instrument	D00004	2016-07-10T12:00:01Z	2017-07-13T00:00:00Z	Issues with data telemetry. See platform level annotation for details.	NOT_AVAILABLE	
GP03FLMA	D00005	2017-07-07T00:00:00Z	2017-07-25T00:00:00Z	Gliders were not deployed, so telemetered data from this platform will not be available for this deployment.
